Education

Rowan Cabarrus
Community College

Experience

May 2012 - Present Contract, Freelance Front End Developer, Designer	I've used Html, CSS, JS, jQuery, Wordpress,PHP and more while creating mock ups, working on migrations.
Jan 2014 - May 2015 Assistant Manager at Shaver Stone	Here I used my eye for detail to ensure that projects went as planned.
March 2012 - Jan 2014 Tech Support Rep at Connextions	Here I configured complex VOip networks and led meetings on best pratices.
